Progress Report Period	
Start Date: 2025.06.17	End Date: 2025.11.07
Work Carried out between this meeting and previous meeting	

- We submitted the project brief document on 2025.06.17 , got the approval from the supervisor and started requirement gathering phase.
- We studied about the existing system in the business and its functionalities and what should be renewed in the system.
- Submitted the project SRS on 2025.07.25 with functional and non-functional requirements, hardware and software requirements and a project timeline.
- Requirement declaration is still in the progress with the intention of identifying what is really wanted for the business.
- Selected the Agile methodology for the development of the system since we are new to requirement gathering and design and development.
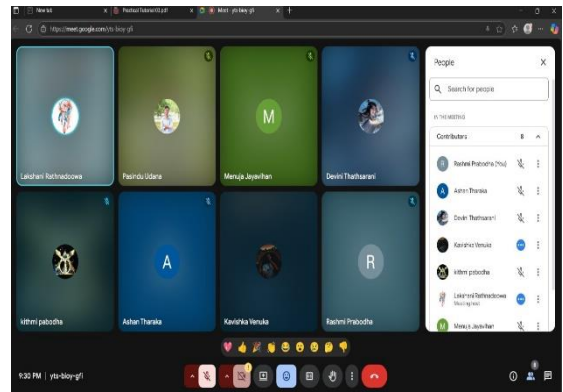

- We identified what are the similar works and platforms like our system and observed their features within last several weeks.
