Problems Encountered

- Some issues were occurred in drawing appropriate usecase diagrams, class diagram and matching it with the ER diagram, but they have been solved after discussion with the supervisor.

Planned work that were unable to carry out with reasons

- We have come up with all the planned works within the duration.
- But unable to have a physical meeting with all the team members.

Work planned until next meeting

- We have planned to develop the frontend pages until the next meeting.
- Backend developers planned to make the logics for the system.
